Education

Brown University *Sep. 2022 - Present*
Sc.B. in Applied Mathematics-Economics and Urban Studies, 4.0 GPA

Research Experience

Undergraduate Research Assistant *Annenberg Institute*
Economics of Education *Brown University*
Professor Matthew A. Kraft *Sep. 2024 - Present*

- Did event-study analysis on the effects of weather-related natural disasters on student performance
- Read and summarized technical econometric literature on difference-in-differences for our research team
- Created data visualizations summarizing the effects of climate change on students using STATA, Python, R, and ArcGIS

Undergraduate Research Assistant *Annenberg Institute*
Political Economy *Brown University*
Professors Jesse Bruhn and Thea How Choon *Jan. 2025 - Present*

- Cleaned and summarized data on language used in city council meetings in the US using Python
- Researched and presented on shift-share instruments to study causal impacts of national events on local politics
- Replicated results from a paper with a similar empirical strategy using STATA

Undergraduate Research Fellow *Annenberg Institute*
Public Economics *Brown University*
Professor Anna Aizer *May 2024 - Jul. 2024*

- Cleaned and analyzed large amounts of US Census data in STATA
- Created maps showing timing of policy rollout across the US using Python
- Helped other members of the research team learn STATA and debug code

Teaching Experience

Undergraduate Teaching Assistant *Dept. of Economics*
ECON 1430: The Economics of Social Policy *Brown University*
Professor Emily Oster *Jan. 2025 - Present*

- Assisted students with writing and debugging STATA code
- Helped students select a research design and empirical strategy for an original research paper

Undergraduate Teaching Assistant *Dept. of Economics*
ECON 1130: Intermediate Microeconomics (Mathematical) *Brown University*
Dr. Alex Poterack *Jan. 2024 - May 2024*

- Taught students topics in microeconomics, including utility, game theory, and general equilibrium
- Graded problem sets

Undergraduate Teaching Assistant *Dept. of Mathematics*
MATH 0090, 0100, 0200: Calculus I-III *Brown University*
Dr. Yu-Wen Hsu *Jan. 2023 - May 2024*

- Taught students topics in calculus, including differentiation, integration, optimization, and vector calculus
- Graded problem sets
